Dear Friends at Colchester Elementary School,

Please accept our sincere thanks for your gift of $959.17 to support PJ Day for the Kids. Your generosity ensures that Connecticut Children's has more resources to benefit children battling cancer.

Last year, 450 schools and 1,200 businesses across Connecticut participated in PJ Day. Since 2011, PJ Day has raised more than $1 million for the Center for Cancer & Blood Disorders. Every year, PJ Day for the Kids inspires more children and business leaders to become involved.

The proceeds from PJ Day for the Kids help Connecticut Children's provide life-saving treatments and individual, targeted therapies for kids with cancer. Funds also provide for financial and emotional support of our patients and their families.

Your participation in PJ Day for the Kids makes a difference for the children we serve...and we are so very grateful!

Thank you for raising funds, awareness and hope for these brave kids. Without people like you, we couldn't do as much for as many.

Sincerely,

Dianna Pategas
